

REMARKS

Entry of the foregoing amendments and favorable consideration of the subject application is respectfully requested in view of the following comments.

Claims 1-8 are pending in the subject application. Claims 1-3 have been amended, claims 6-8 have been cancelled and new claims 9-23 have been added. Accordingly, claims 1-5 and 9-23 are currently pending.

Claims 1-3 have been amended to correct minor grammatical errors and to make them more easily readable upon publication.

New claims 9-13 specifically define the holding sheet of the subject cleaning sheet, the holding sheet being described in the specification at page 33 and at pages 36-38 with further reference to drawing figures 19-21. New claims 14-23 are directed to the cleaning sheet of the present invention as it is described in the specification and the drawings originally filed reciting the subject invention in the broadest terms possible.

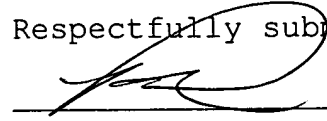

Publication of the subject application with the claims as amended herein is respectfully requested.

All amendments and new claims are fully supported by the specification and drawings as originally filed before the International Bureau.

Applicants respectfully submit that no new matter has been added by the foregoing amendments and that the application is in condition for allowance.

An early notice of allowance is respectfully requested.

Respectfully submitted,

A handwritten signature in dark ink, appearing to be 'R. L. Haines', is written over a horizontal line.
